Welcome Pharmily! This newsletter is officially from the Howard University College of Pharmacy Student Council. We intend to keep you informed of upcoming events and to highlight activities.

Dose of Reality.

Welcome back to Spring semester 2021!

There's a Vaccine for That!

We finally have a COVID-19 vaccine on the market. According to the CDC, there are benefits of getting vaccinated:

- To help keep you from getting COVID-19
- It is a safer way to build protection
- It can help stop the spread of the pandemic

Remember to wear your mask, wash your hands and remain 6-feet apart.

STUDENT LEADER REQUIREMENT

To qualify for application of any leadership position in the College, students must meet these requirements:

- GPA no less than 2.50
- Cannot be on academic probation
- Has not violated the College's code of professionalism conduct

If a student leader's GPA falls below 2.50 or is placed on academic probation, then they will no longer be able to continue with the leadership position until the GPA is above 2.50 or removed from probation, respectively. In addition, a student leader that violates the College's code of professionalism conduct will not continue in their leadership role.
